## **Feedback from the delegates:**

Dear Dr Kutala,

Thank you for the kind e-mail.

I wish to congratulate you for organizing such an excellent conference (IABS-2015) at Hyderabad from 9-11 January, 2015. It was a great pleasure to participate in the meeting which was rich in scientific content and I thank you for inviting me and agreeing to have a symposium on NO.

I am also grateful to you for your personalized care and kind hospitality during our brief stay at Hyderabad.

Dr. Kavita Gulati joins me in expressing our heartfelt thanks and sincere gratitude to you and wish you all the very best in the year ahead.

Best personal regards

Dear Dr. Kutala Vijaykumar,

Thank you very much for inviting me to your fascinating conference. It was a great experience for me. All those impressive talks, your wonderful hospitality, and everything was organized so well. In particular I want to acknowledge the great job of Mr Kumara Swami. Beside organizing my transportation from the airport so well, he always was around and took care of me and offered me his help.

**Dr. Elisabeth Deindl, Germany**

**Sir,**

It was really a nice experience to attend the scientifically rich academic feast in IABS-2015.  
Indeed it was a nice scientific event with eminent scientists from Indian and abroad with young scholars sharing the same platform and exchanging views.

I congratulate you and your team along with the entire staff members of NIMS, Hyderabad for this success.

Looking forward in meeting all in New Delhi in 2016.
